& Technologies Inc.**

**SPRING SALES FLYER**

April 18th 2007 - June 30th 2007

## SPRING SALE SPECIAL

**VICTOR SUPER RANGE OUTFIT  
CUTS 5" WELDS 1/2" ALL YOU NEED IS CYLINDERS!**

Reg. Price \$474.00

**SALE  
\$249**

STOCK# VIC 0384-0836

Fully stocked branch locations with all major brands

Take advantage of our special lease offer - Purchase two cylinders leases and the second lease is FREE for a year

### **BIG WINDOW ELITE SERIES AUTO-DARKENING WELDING HELMET**

Reg. Price \$299.00

**SALE  
\$254**

- 30% larger viewing area!
- Battery-powered with solar-assist for exceptionally long life means no recharging required!
- Lens technology responds to extremely low-amperage TIG arcs

**STOCK# MIL 216 322**

### **ELITE SERIES AUTO DARKENING HELMET**

Reg. Price \$329.00

**SALE  
\$280**

- Performance Lens Technology
- 30% larger viewing area!
- No recharging required
- Lens technology responds to extremely low-amperage TIG arcs
- Lens darkening reaction time is 1/20,000 sec.

**STOCK# MIL 216 323**

### **BIG WINDOW ELITE SERIES AUTO-DARKENING WELDING HELMET**

Reg. Price \$329.00

**SALE  
\$280**

- Performance Lens Technology
- 30% larger viewing area!
- No recharging required
- Lens technology responds to extremely low-amperage TIG arcs

**STOCK# MIL 224 870**

### **PERFORMANCE SERIES AUTO DARKENING HELMET**

Reg. Price \$219.00

**SALE  
\$186**

- Auto-On/Auto-Off and Grind Mode
- Three independent arc sensors
- Excellent low-amperage TIG (5 amps)
- Features magnifying lens holder
- Quick-release front cover lens assembly

**STOCK# MIL 232 035**

### **BIG WINDOW ELITE SERIES AUTO-DARKENING WELDING HELMET**

Reg. Price \$349.00

**SALE  
\$297**

- Performance Lens Technology
- 30% larger viewing area!
- No recharging required
- Lens technology responds to extremely low-amperage TIG arcs
- Lens darkening reaction time is 1/20,000 sec.

**STOCK# MIL 222 671**

### **PERFORMANCE SERIES AUTO DARKENING HELMET**

Reg. Price \$239.00

**SALE  
\$203**

- Auto-On/Auto-Off and Grind Mode
- Three independent arc sensors
- Excellent low-amperage TIG (5 amps)
- Features magnifying lens holder
- Quick-release front cover lens assembly

**STOCK# MIL 232 036**

### **ELITE SERIES AUTO DARKENING HELMET**

Reg. Price \$329.00

**SALE  
\$280**

- Performance Lens Technology
- 30% larger viewing area!
- No recharging required
- Lens technology responds to extremely low-amperage TIG arcs
- Lens darkening reaction time is 1/20,000 sec.

**STOCK# MIL 216 321**

### **PERFORMANCE SERIES AUTO DARKENING HELMET**

Reg. Price \$239.00

**SALE  
\$203**

- Auto-On/Auto-Off and Grind Mode
- Three independent arc sensors
- Excellent low-amperage TIG (5 amps)
- Features magnifying lens holder
- Quick-release front cover lens assembly

**STOCK# MIL 232 039**

# MILLERMATIC 251

Reg. Price \$2342.00

**SALE**  
**\$1902**

STOCK# 903 868

- Welds material from 22 gauge to 1/2 in. thick
- Perfect for metal fabrication, maintenance and repair, farms and ranches
- Patent-pending Active Arc Stabilizer™
- Adjustable run-in control
- Self-calibrating digital meters

# MILLERMATIC 210

Reg. Price \$1683.00

**SALE**  
**\$1407**

STOCK# 907 046

- Welds material from 22 gauge to 3/8 in. thick
- Perfect for light fabrication, garage/body shops, and farms and ranches
- Seven taps provide wider welding range of 30-210 amps
- Industrial, dual-gear-driven, aluminum drive system
- Convenient built-in dual gun/cable holder and consumable compartment

# LINCOLN POWER MIG 255C

Reg. Price \$2416.00

**SALE**  
**\$2046**

STOCK# K2416-1

- Arc Performance:
- Diamond Core Technology™
- A forgiving arc, even with large stickout changes
- Excellent out-of-position arc action
- Wide voltage sweet spot at a given wire feed speed
- Low spatter

# LINCOLN POWER MIG 215

Reg. Price \$1794.00

**SALE**  
**\$1519**

STOCK# K2326-1

- Arc Performance
- Diamond Core Technology™
- More Output
- Rugged cast aluminum industrial wire drive
- Three-year warranty on parts and labor
- Generous 15 ft. (4.5m) gun and cable assembly
- Seven tapped voltage ranges
- Only machine in its class with a 115 volt auxiliary power

# SPRING CLEAN-UP SALE!

## THERMAL CUTMASTER 38

Reg. Price \$1350.00

**SALE**  
**\$1022**

STOCK# THE 1-3820

- Rugged Design
- Auto Pilot Restart for easy, quick cutting
- Automatic Voltage Selection
- Protective Interlock Circuit disables the power supply if the torch consumable parts are incorrectly assembled
- Power Factor Correction maximizes cutting output for any input voltage

## THERMAL CUTMASTER 51

Reg. Price \$2059.00

**SALE**  
**\$1378**

STOCK# THE 1-5120-1

- 1/2" Genuine Cut Capacity & 3/4" Severance Capacity
- 20-40 Amps, Adjustable
- Input Power – 208/230V, 1 ph; or 400V, 3 ph; or 460V, 1/3 ph (Dedicated Voltage Design)
- Duty Cycle – 40% @ 40A
- 1Torch SL60 with Built-in ATC Quick Disconnect (Optional Lead Extensions Available)
- Non HF (High Frequency) Start

## THERMAL CUTMASTER 81

Reg. Price \$2659.00

**SALE**  
**\$1789**

STOCK# THE 1-1120-1

- Tip Saver™ prevents tip failure when the tip touches the work piece at high output current levels
- Optional ATC Lead Extensions give flexibility and versatility to your cutting operations
- Auto Pilot Restart for cutting expanded metal 1Series Start Technology eliminates electronic interference
- Rugged Case Design

## THERMAL CUTMASTER 101

Reg. Price \$3206.00

**SALE**  
**\$2070**

STOCK# THE 1-1320-1

- Tip Saver™ prevents tip failure when the tip touches the work piece at high output current levels
- Auto Pilot Restart useful for cutting expanded metal
- 1Series Start Technology provides quick, reliable starts & strong pilot arc
- Rugged Case Design!

## THERMAL DRAG-GUN PLUS

Reg. Price \$1950.00

**SALE**  
**\$1364**

STOCK# THE 1-3835-1

- Portable plasma cutting system comes complete with built-in air compressor
- Perfect for sheet metal, HVAC installation, spiral duct work, metal stud construction, food service equipment, metal art fabrication & more.
- Ready to cut right out of the box.

# EXTRA DEEP DISCOUNTS!

WHILE SUPPLIES LAST!

## LINCOLN RANGER 250

Reg. Price \$3793.00

SALE  
\$3023

STOCK# LIN K-1725-6

- Chopper technology provides for easy starts, a smooth arc, low spatter & excellent bead appearance
- Powerful 250 amp DC CC/CV gasoline engine driven welder
- Rated outputs are at 100% duty cycle 104 °F
- Enhanced Downhill Pipe welding model for faster travel speeds

## LINCOLN POWER MIG 350MP

Reg. Price \$4421.00

SALE  
\$3743

STOCK# K-2403-1

- Arc Performance
- Lincoln Chopper Technology® delivers high quality welds
- Multi-Process capable — Welds MIG, flux-cored, stick, TIG, pulsed MIG & more
- Pulse-on-Pulse™ improves cleaning action
- Power Mode® maintains a stable, smooth arc
- Synergic control of voltage with wire feed speed
- Rugged cast aluminum industrial wire drive

## MILLER SYNCROWAVE TIG RUNNER PACKAGE

Reg. Price \$2350.00

SALE  
\$1964

STOCK# MIL 907308011

- Coolmate™ 3X cooler option
- Syncro Start™ for customized arc starts
- Squarewave output with AC balance control features adjustable penetration and cleaning action
- Last procedure recall
- Built-in preflow/postflow
- Built-in consumable storage
- Fan-On-Demand™ operates only when needed
- Lift-Arc™ start provides TIG arc starting without the use of high frequency

## LINCOLN PRECISION TIG 185

Reg. Price \$2119.00

SALE  
\$1794

STOCK# LIN K-2347-1

- 5-185 amps makes this the widest welding range in its class
- Patented Micro-Start technology delivers stable low amperage
- Square wave technology delivers AC arc stability

## LINCOLN INVERTEC V160-T

Reg. Price \$1661.00

SALE  
\$1407

STOCK# LIN K1845-1

- 115/230V 50/60Hz operation
- Advanced inverter technology delivers superior TIG performance
- Touch-Start TIG starting or high frequency starting
- Built-in pulsing functions
- Auto-reconnect between 115/230V 50/60Hz input power
- Integral gas and power connector
- Lightweight, rugged package
- Thermal and voltage overload protection

# MILLER BOBCAT 250

Reg. Price \$4037.00

**SALE**  
**\$3257**

STOCK# MIL 907 211

- 23 HP Kohler or 22 HP Robin provides more power
- Meter maintenance displays
- Quietest engine drive in its class
- 10,500 watts of Accu-Rated™ - Not Inflated - generator power
- Smooth Power - Not Spike Power
- Better Welds with Tri-Cor™ Technology
- Larger Fuel Capacity
- High-Impact Protective Armor
- Multiple Process Capabilities

# MILLER SUITCASE 8VS

Reg. Price \$1854.00

**SALE**  
**\$1495**

STOCK# MIL 194890013

- Enclosed, impact-resistant, flame-retardant case
- Ergonomically sound, lightweight, modular design allows for improved mobility
- Standard contactor and gas solenoid prevent wire from becoming electrically hot
- Operates on open-circuit arc voltage
- Universal feeder operates with most Miller and competitive CV/CC DC-type power sources

# LINCOLN RANGER 10,000

Reg. Price \$3741.00

**SALE**  
**\$3240**

STOCK# K1419-4

- The right choice for a general contractor or maintenance crew etc.
- Reliable and rugged general purpose AC/DC welder
- AC power generator
- Capabilities include stick, basic TIG, MIG and flux-cored welding
- 10,500 watts of peak AC generator power
- Rugged Reliability
- Plenty of engine horsepower!

# LINCOLN LN25 WIRE FEEDER

Reg. Price \$1900.00

**SALE**  
**\$1547**

STOCK# LIN K449

- Portable, Construction Wire Feeder
- Semiautomatic wire feeder
- Ideal for field or construction use
- Powered across the arc so no control cables are needed
- MIG and flux-cored wire feeder
- Tool-less quick release mechanism
- Accepts 10-44 lb. wire packages

## LINCOLN MINIFLEX

Reg. Price \$1390.00

**SALE**  
**\$1251**

STOCK# K2376-1

- Well thought-out, user-friendly design
- Four-stage filtration system for higher efficiency
- LongLife-HTM filter technique separates and retains small particles for maximum efficiency
- Main filter with spark arrestor surface area: 130 ft (12m)
- Activated carbon filter (optional) for improved filtration of odors
- Filter efficiency: up to 99.97%
- Two powerful motors

## MOBIFLEX™ 200-M BASE UNIT & 10 FT. ARM

Reg. Price \$4161.00

**SALE**  
**\$3745**

STOCK# K1653-2/K2633-1

- Portable, low vacuum/high volume disposable filtration system designed for medium duty extraction and filtration of welding fumes
- Lightweight and rugged design
- Standard front caster and rear wheels
- Ideal for facilities that require welding fume extraction in multiple locations
- On-board internal extraction fan

## MOBIFLEX™ 400-MS BASE UNIT & 10 FT. ARM

Reg. Price \$6283.00

**SALE**  
**\$5654**

STOCK# K1741-1/K2633-1

- Portable, low vacuum/high volume self-cleaning filtration system designed for heavy duty extraction and filtration of welding fumes
- Lightweight and rugged design
- Standard front caster and rear wheels
- Ideal for facilities that require welding fume extraction in multiple locations Self-cleaning function

## MOBIFLEX 100-NF WITH HOSE & HOOD SET

Reg. Price \$2322.00

**SALE**  
**\$2090**

STOCK# K1666-1/K1668-1

- Perfect for hard to reach areas
- Connect to 6 in. diameter, 16 ft. long hose set with magnet mounted hood
- Lightweight and portable, 37.5 lbs. (17 kg).
- Steel rings protect hose.
- Maximum noise level 69dBA.

# PREVENTATIVE MAINTENANCE PROGRAM: INVESTING IN YOUR EQUIPMENT

Ask our customer service specialists how you can be put on an automatic 3-month, 6-month, or annual program.

## Decrease Down Time. Increase Productivity

Save yourself valuable time and money by routinely checking your equipment before it's too late. The technicians at Middlesex Gases & Technologies are experts on the wear and tear on welding equipment and are authorized to service most major brands. Our technicians will perform an on-site evaluation. Once we determine what is to be done, we will schedule a time to make all the necessary repairs and updates to your equipment. The process is simple for you and takes on average one hour per machine. After maintenance has been performed on all equipment, we will test the equipment to make sure everything is running smoothly.

## Our Service Technician Will Check:

- Primary Transformer • Switches—Range—Polarity—AC/DC • Open Circuit Voltage • Rheostat Potentiometer and Timers • High Frequency Points • Foot Control • Tig Torches • Mig Guns • Hoses • Wires • Cables • Filters

## We Are Authorized Service Technicians For:

- Miller • Lincoln • Hobart • Thermal Arc • Thermal Dynamics
